## Birthday Book Club oone <br> 

Celebrate your child's birthday by donating a book to the England Elementary Library in his/her honor. Your child will choose from a great selection of new, popular titles available in the library for their Birthday Book. The cost is $\$ 15.00$ to participate. Please make checks payable to England Elementary or you may send cash. Look for a receipt in your child's take-home folder. Thank you SO MUCH for supporting this library fundraiser!

## How the program works:

- Complete and return this form to the England Library at least THREE weeks before your child's birthday. The Birthday Book Club program ends for the school year on APRIL 12, 2019.

## - Attach your \$15.00 payment with this form (cash or check).

- The book your student selects will feature a special bookplate with your child's name and birthday. The book will be presented to your child near his/her birthday. A framed picture of your child with their selected book will be placed on the display wall outside the library, and the book will become a part of our library collection for all students to check out \& read!
- SUMMER birthdays: May birthdays will be celebrated in April, to allow students the opportunity to read their books before the end of the school year. June \& July birthdays are celebrated during the student's half-birthday (December-February). August birthdays will be celebrated during the first few weeks of school or as a half-birthday (in February).
- For questions, contact Mrs. Kupersztoch or Mrs. Armantrout in the library by calling (512) 704-1215 or sending an email to England_Library@RoundRockISD.org.
