

Birthday Book Club

Celebrate your child's birthday by donating a book to the England Elementary Library in his/her honor. Your child will choose from a great selection of new, popular titles available in the library for their Birthday Book. The cost is \$15.00 to participate. Please make checks payable to **England Elementary** or you may send cash. A receipt will be returned to you in your child's Thursday folder. **Thank you SO MUCH for supporting this library fundraiser!**

Here is how the program works:

- Complete and return this form to the England Library. **Please attach your \$15.00 payment with this form (cash or check).** Payment is due at the time of enrollment in the Birthday Book Club, however, if payment is not attached, a notice will be sent home the month before your child's birthday to collect payment.
- The birthday book your student selects will feature a special bookplate with your child's name and birthday. The book will be presented near your child's birthday. A framed picture of your child with their selected book will be placed on the display wall outside the library, and the book will become a part of our library collection for **all** students to check out and read!
- **SUMMER birthdays:** May birthdays will be celebrated in April, to allow students the opportunity to read their books before the end of the school year. June and July birthdays are celebrated during the student's half-birthday (December-February). August birthdays will be celebrated during the first few weeks of school or as a half-birthday. **Please note: The Birthday Book Club program concludes for the school year on May 1st.**
- For questions, contact Mrs. Kupersztoch or Mrs. Huffor in the library by calling (512) 704-1215. Thanks!
