 <p>Little Owl's Day (2014)</p> <p>A squirrel is chittering. Bees are buzzing. The sun is high in the sky. And Little Owl is supposed to be asleep, but when he wakes up early, he's just too curious to close his eyes again. The forest he knows so well at nighttime is completely different and exciting in the day! After watching butterflies dance, wolf pups play, and then his very first rainbow, Little Owl returns to his tree. He has many new stories for his mama.</p>	\$11.00 hardcover picture book				
 <p>Octopus Alone (2013)</p> <p>Octopus loves living on the busy reef under the sea. From her cozy cave, she can see clown fish, and sea turtles, and little butterflies swimming by. She especially loves watching the seahorses having fun, wiggling and twirling. Sometimes she will play with them, but occasionally Octopus just wants to be alone, somewhere quiet, and not so busy. So one day, she swims far, far beyond the reef and finds another cozy cave, only here she is perfectly, wonderfully alone. It is exactly what she wanted . . . until she's ready to go back home to be with her friends.</p>	\$13.00 hardcover picture book				
 <p>Little Owl's Night (2011)</p> <p>It's evening in the forest and Little Owl wakes up from his day-long sleep to watch his friends enjoying the night. Hedgehog sniffs for mushrooms, Skunk nibbles at berries, Frog croaks, and Cricket sings. A full moon rises and Little Owl can't understand why anyone would want to miss it. Could the daytime be nearly as wonderful? Mama Owl begins to describe it to him, but as the sun comes up, Little Owl falls fast asleep.</p>	\$12.00 hardcover picture book
